Heraklion 15/10/2018**

The Institute of Applied and Computational Mathematics of the Foundation for Research and Technology Hellas (FORTH), in the framework of the project ARCHERS, which is funded by an exclusive donation of the *Stavros Niarchos Foundation*, is seeking to recruit four (4) Ph.D. candidates. The project aims at reducing or even reversing the *brain drain* by providing high quality research opportunities to young scientists of Greek origin.

Job Description

The Ph.D. candidates awarded these Stavros Niarchos Foundation – FORTH fellowships are expected to perform high quality research within one of the research areas, in which FORTH-IACM excels both on the national and the international level (www.iacm.forth.gr). More specifically, the domains of interest in the present project are the preservation of cultural heritage and the science and innovation in the areas of environment, clean energy and health. Within IACM, preference will be given to projects in Applied and Computational Mathematics.

Eligibility Criteria

- B.Sc. degree in Mathematics, Physical Sciences, Engineering and related fields
- M.Sc. degree in Mathematics, Physical Sciences, Engineering and related fields
- Good knowledge of Greek and English language

Evaluation Criteria

- Grade Point Average (G.P.A.) of the undergraduate and M.Sc. studies
- Publications in high quality journals
- Quality of the proposed project
- The fellows should have started/or be about to start their Ph.D. studies but should not have completed their 3rd year. Preference will also be given to Ph.D. candidates, who are under 30 years old.

Email: iacm@iacm.forth.gr

Location: IACM-FORTH, Heraklion Crete GREECE

Start Date: 15th of January, 2019

Duration of appointment: 12 months

Application Submission

Interested candidates who meet the aforementioned requirements are kindly asked to submit their applications, no later than the **15th of November 2018, 23:59 local time (Greece)** to the address office@iacm.forth.gr.

In order to be considered, the application must include:

- Filled-in Application Form (http://www.iacm.forth.gr/_docs/jobs/Application_form_PhD.docx)
- Detailed curriculum vitae (CV) of the candidate
- Statement of purpose with a proposed project in a specific sub-area of research and a relation to the appropriate scientific advisor (maximum 2 pages)
- Copies of academic titles/transcripts
- At least one reference letter

Any application received after the deadline will not be considered for the selection

Contact

For information and questions regarding the application and selection procedure, to contact Mrs Maria Papadaki (tel. +30 2810 391800) or Mrs Yiota Rigopoulou (tel. +30 2810 391805), office@iacm.forth.gr

Selection Announcement

The result of the selection will be announced on the website of IACM-FORTH (www.iacm.forth.gr/jobs/).

Candidates have the right to appeal the selection decision, by addressing their written objection to the IACM secretariat within five (5) days from the results announcement on the web. They also have the right to access their evaluation. The information related to the selection procedure will be available at the secretariat of IACM-FORTH in line with the Hellenic Data Protection Authority.

GDPR

FORTH is compliant with all legal procedures for the processing of personal data as defined by the **Regulation EU/2016/679** on the protection of natural persons with regard to the processing of personal data.

FORTH processes the personal data and relevant supporting documents that you have submitted to us. Processing of that data is carried out exclusively for the needs and purposes of this specific call. Such data shall not be transmitted to or communicated to any third party unless required by law.

FORTH retains the above data up to the announcement of the final results of the call, unless further process and reservation is required by law or for purposes of exercise, enforcement, prosecution of certain one's legitimate legal rights' as defined in the Regulation **EU/2016/679** and/or in national law. We inform you that under the Regulation **EU/2016/679** you have the rights to be informed about your personal data, access to, rectification and erasure, restrictions of process and objection to as provided by applicable regulation and national laws.
