

The ERE Group of IACM/FORTH has been awarded the coordination of the *European Policy Network on School Leadership*.

The Framework Partnership for 2011-2014 and the Annual Grant Agreement for 2011 go into effect as of August 1, 2011.

The Partnership comprises of 34 organizations representing 24 Member States. These range from National Ministries of Education to University institutions specializing on the initiative's thematic orientation and from Associations on School Management to agencies responsible for introducing change in educational policy and practice.

The overall objective is to develop and manage a platform for the stimulation of high level cooperation between policy makers and practitioners under the scope of facilitating the development and implementation of national policies on school leadership.
